<b>Organization History (5 total points)</b> – <i>Does the history of this organization and its programming demonstrate likelihood to successfully lead the type of work envisioned in the LOI?</i>	5-point item	
<i>Reviewer commentary:</i>  		

<b>Project Need and Plan (20 total points)</b> – <i>Is the need for the project succinctly and successfully justified? Is the proposed scope of work and plan logical and realistic? Is the introduction of the evaluation plan specific, measurable, assignable, realistic and time-oriented? Can all these elements make the jump from LOI to finalist proposal well within the relative budget size?</i>	20-point item	
<i>Reviewer commentary:</i>  		

<b>Capacity (15 total points)</b> – <i>Does the organization have the qualifications and programming history to demonstrate capacity and likelihood to successfully lead the type of work envisioned in the LOI? Do the collaborations make sense? Do the collaborations seem mature?</i>	15-point item	
<i>Reviewer commentary:</i>  		

<b>TCI Experience and Project Learning Potential (10 total points)</b> – <i>Does the LOI excite you – is TCI likely to learn something from this work to inform others and/or have we had positive experiences funding similar work? If we've funded this organization before, was it a positive or negative funding experience and/or does this organization seem like a plausible TCI grantee (if no funding history)?</i>	10-point item	
<i>Reviewer commentary:</i>  		

<b>Step 2) Total Points LOI Review</b> (add your assigned points earned values in each Step 1 element together for your total score out of 50 available points)	(total out of 50 possible points)
